

# CHALET HEIDI

## ZERMATT, SWITZERLAND

Zermatt luxury self catered Chalet Heidi is a first floor apartment located in Haus Bittel in the very heart of Zermatt. Comprising the entire first floor (128 sqm) of a traditional, creaky, wooden, Swiss chalet, this is a delightful luxury ski chalet apartment which has been totally refurbished: a real Zermatt gem sleeping up to 6 people.

Chalet Heidi is located in the heart of Zermatt, between the church and the school, close to the main shopping street. It is 1 min walk to the church square and 7 mins walk to Matterhorn Express lift. South facing, it overlooks a rushing mountain torrent and a jumble of village roofs with the mountains above. There are sunbathed wooden balconies on all sides. It is the perfect hideaway, with the best of all worlds: both old and new. You will be cosseted by weathered wood paneling and local granite walls and floors, an antique stone fire-stove (with a modern glass door), wooden ceiling beams (with spotlights), a unique dining table consisting of a traditional harrow under a glass top, a generously sized and fully specified connecting kitchen, and much more.

There are three quaint bedrooms and three very modern bathrooms. Bedroom 1 (the largest) has a standard double bed and en-suite bathroom with shower and toilet. Bedroom 2 has two singles and its bathroom is next door, with shower and toilet. Bedroom 3 is the smallest, with a 160cm double bed, but it has the advantage of having the largest en-suite bathroom with corner-bath, rainfall shower and toilet. The bedrooms are smaller; however their interior design is charming, giving one the feeling of snuggling down in a cozy mountain cabin. A modern and traditional wooden Swiss chalet in the centre of Zermatt, ideal for the perfect alpine winter or summer holiday!
