

CHALET IBRON

ZERMATT, SWITZERLAND

This luxurious free standing independent chalet with 4 double bedrooms, 3 bathrooms and a sauna, is large enough for families or groups of 8. All the beds can be configured as doubles or twins.

Side by side, tucked against a beautiful hillside, the numerous balconies and large terraces give you bird's eye views of the village and the surrounding mountains, encompassing all 3 of Zermatt's ski areas. Although it does not have a Matterhorn view, the sun baths the chalet is as soon as it emerges. The tunnel and elevator bring you up high above the village providing a true sense of high mountain seclusion and tranquillity with breathtaking views.

Although it does not have a direct Matterhorn view, the chalet is bathed in sun as soon as it emerges. Guests can leave their skis and boots in the tunnel's ski-room. The entrance to the tunnel is 200 metres from the end of the ski runs beneath the Matterhorn Express lift station, just a 4 minute walk from the church square. It has the most luxurious and spacious master bedroom, with an open bath-tub, separate shower, separate W/C, and en-suite sauna, perfect to relax after a long day in the mountains. The second double bedroom is smaller and has no en-suite bathroom – it uses the bathroom on the first floor. Both these bedrooms have beautiful sloping wooden ceilings, and the master bedroom has a wide balcony with a glorious panorama.

On the ground floor you have the sitting room and an open-plan kitchen with the dining table, both giving on to the large terrace accessed through French windows. There is also a boot-room, utility room with washing machine and dryer, and a guest W/C. Ibron also has a large sunny terrace with tables, deck chairs and beautiful views.
