DESCRIPTION

An exceptional, unique, luxury chalet in the exclusive village of Le Crêt, Val d'Isère

Lovingly restored a few years ago, this enchanting property has been transformed into one of Val d'Isère's finest chalets available to rent. The chalet is laid out over three floors, sleeping up to 12 people in six individually designed bedrooms.

The owners have carefully preserved the original features, including the traditional chapel that nestles in the private garden. Inside, clever combinations of aged stone and exposed beams combine with sumptuous fabrics and furniture, creating a beautiful contemporary home which maintains a rustic charm.

The chalet is perfect for groups of friends or families, with all the bedrooms having en-suite shower or bathrooms. Additionally, all the beds can be made up as either twins or doubles offering a lot of flexibility. The deluxe master bedroom on the top floor has double-height ceilings, as well as a stylish seating area with desk and access to a private terrace.

Entertaining and relaxing is at the heart of this chalet. The large open plan living and dining area boasts a beautiful stone fireplace surrounded by comfy sofas with luxurious throws and cushions, providing the perfect spot to curl up with a good book before dinner.

A double-height ceiling over the sofa area, sophisticated lighting and fabulous modern art create the perfect setting for socialising with friends or for enjoying an intimate dinner by candle light. For those guests taking the property on a self-catered basis, please be aware that the chalet has a professional kitchen.

For those wishing to break out and enjoy the latest series or a movie in peace, retreat to the stylish cinema room. A large L-shaped sofa provides plenty of lounging opportunities and retro leather chairs and a desk area provide more space to relax.

Children will be endlessly entertained throughout their stay. Outside, there is a wonderful private garden where afternoons can be spent building snowmen and throwing snowballs. Inside, they can warm up with hot chocolates before playing in their very own kids' den, complete with faux grass, a climbing wall and a snug seating area with a TV, providing unlimited hours of fun.

The spa facilities at Chalet du Crêt cater for everyone. An outdoor hot tub and hammam will ensure guests can relax after a day exploring the incredible Espace Killy ski area.

The chalet is normally provided with an in-resort driver service when sold on a fully catered basis.
